## Greetings!

Welcome to our latest numismatic literature fixed price list. It's been several months since our last issue because of a very busy schedule (and who doesn't have one of those?).

The numismatic literature business is up and running on all cylinders. Many records were established at the June 5, 1999, Harry Bass II sale, which was conducted by our good friend George Kolbe. Expect more record prices to be realized in the upcoming Bass collection sales. This writer has no problems with predicting that the Bass sales will far surpass the Champa sales when all is said and done.

For those who are unaware of the prices that certain items are bringing, you can read my guest commentary in the August 16, 1999, issue of *Coin World* on page 10.

We have slightly changed the format for this list. You will find just the 20<sup>th</sup> century catalogues. A follow-up list (due out in a month or two) will contain the 19<sup>th</sup> century catalogues, reference books, and periodicals, etc. If we put everything in one list, as has been done in the past, it would be close to 75 pages in length, and nearly impossible to properly absorb everything it contained.

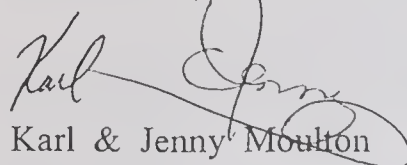

You will also find a different format concerning the prices realized lists. People are beginning to request an original prices realized list with their catalogues instead of photocopies. This is fine, but be advised that the original lists are at least 5 to 50 times scarcer than the catalogues. They are, in certain cases, easily worth more than the catalogues! Years from now they should have their own established market as a numismatic collectible.

Since this is a new concept for many involved in numismatic literature, we wish to state up front that we will buy any complete original, unblemished printed prices realized list, prior to 1940, for a minimum of \$5 each. Please let us know what you have available before you ship. Thanks.

Now, it's your turn to peruse the offerings. Keep in mind that the secondary market is extremely thin on the more important sales -- a sure sign of future price increases.

As always, Jenny and I say "THANK YOU" for your business. If we can help in any way, at any time, to further your enjoyment of numismatics, don't hesitate to contact us.

Best wishes,

Karl & Jenny Moulton

## HOW DO YOU WANT TO RECEIVE YOUR PACKAGE?

Here are the options to choose from :

1. **SPECIAL STANDARD (BOOK RATE).** Please send \$2.00 for the first item and \$.75 cents for each additional item along with insurance from the table below. This is how most orders will be shipped unless another choice is requested and prepaid. This option takes anywhere from 5 days to three weeks for your package to arrive (it can be extremely slow).
2. **PRIORITY MAIL.** Please send \$3.20 for the first item and \$1.50 for each additional item along with insurance from the table below. It will take 2 to 10 days for your package to arrive as the post office will not guarantee delivery within three days.

**NOTE:** Shipping your order may cost more or less than the estimates above depending upon weight. You will be charged the actual shipping amount. Any additional charges will be billed; any prepaid overages will be credited to your account. Insured packages can only be traced after 30 days.

*\*\* Any order of \$20 or more for merchandise keeps you on our mailing list for one entire year. \*\**

**PACKING & HANDLING:** Please add the following charges for the number of items you order:

1 - 5.....	\$ .50 per item
6 - 10.....	\$ 3.00 Total
11 - 20.....	\$ 5.00 Total
21 - 30.....	\$ 6.00 Total
31 - 40.....	\$ 8.00 Total
41 - 50.....	\$10.00 Total
51 or more.....	\$12.00 Total

This helps cover the cost of boxes, strapping tape, packing for the catalogues, labels, etc.

**INSURANCE:** We insure all packages. Please add charges from the table below:

### POST OFFICE INSURANCE

\$ 0.01 to \$ 50 .....	\$0.85
50.01 to 100 .....	1.80

**THE CATALOGUES OF Q. DAVID BOWERS**

Bowers & Ruddy Galleries, in Hollywood, California, named their auction division the American Auction Association; the first eleven sales bear this name. A strong beginning with the Armand Champa Sale in 1972 led to success after success.  
  
These are among the finest catalogues ever written about American Numismatics. The Bowers catalogues are indeed the premier sales by which all others are judged. If you don't have them, you should.
